4. Install extension on Google chrome

The screenshot shows the Chrome Web Store page for the QuillBot extension. At the top left is the QuillBot logo, a green robot head. To its right is the title "QuillBot: AI Writing and Grammar Checker Tool" and a blue button labeled "Remove from Chrome". Below the title, it says "quillbot.com", "Featured", and "4.4★ (669 ratings)". Further down, it lists "Extension", "Communication", and "3,000,000 users". The main content area features two large promotional images. The left image has a green background with the text "QuillBot Chrome Elevate your Writing Skills" and shows a document with a "Fix All Errors" button and a red "2" notification. The right image has a dark green background with the text "Now supports French, German & Spanish" at the top, "Google's favorite extension of 2023" in the middle, and "Works wherever you write" below. At the bottom of the right image is a grid of various application icons including Gmail, Word, LinkedIn, Teams, WhatsApp, ChatGPT, Slack, Notion, and others. Below these images is a row of six small thumbnail images showing different views of the extension's interface.
